Ben, Apple sees no reason or basis for Developer Plaintiffs to share their sealed class certification submission with Epic's counsel. We want to reiterate that Consumer and Developer Plaintiffs should not send any new materials to Epic's counsel as discovery and trial have already concluded in the Epic matter.

Regards,
Eli

Ethan & Eli: We may need to further discuss the implications of the attached letter, but in the meantime, please confirm that Apple is not objecting to Developer Plaintiffs sharing their sealed class certification submissions with Epic. We do not see a basis for objecting, given that Epic has access to the underlying materials, but wanted to be certain Apple is not contending otherwise.

Thanks,

Ben
